Do you wish you had a boyfriend or girlfriend?
Do you have a crush on someone and don't know what to do about it?
Is there a person calling or texting you and you want it to stop?

Each of these situations, some people probably is very helpful. And that's just what **Boyfriends & Girlfriends** gives you. It is an easy-to-read, practical guide about dating and relationships for teens and adults with disabilities. The book covers important questions and concerns like:

- What to do when you have a crush on someone
- How to tell if a person likes you
- What is an appropriate dating partner and who is not
- How to handle rejection
- What to do when you want to break up with someone
- How to respect your partner's boundaries
- What sexual feelings are

Boyfriends & Girlfriends is helpful if you have never dated before and want to find someone special. It is also useful if you already have a boyfriend or girlfriend and want to make sure your relationship is healthy, safe, and fun. Parents and caregivers can also read it to learn how to talk about complex dating issues in simple, concrete ways.

"This is a good book for someone like me who is looking for a relationship with a person who has a disability. It gives you guidelines on how to start a conversation and break the ice, and find a boyfriend or girlfriend." —Sarah, a young woman with Down syndrome

'Boyfriends & Girlfriends' is another must-buy by Terri Couwenhoven for parents and professionals caring for adolescents and young adults with Down syndrome or other medical disabilities. It provides an easy way to discuss the sensitive area of dating and sexually related issues in an understandable language." —Pam McKay, Medical Director of the St. Center for Down Syndrome, Children's Hospital Colorado
