Your guide to the world of pugs!

Pugs have a very long and rich history, but their most enduring legacy has always been their cheerful temperament and social personality. It's no wonder the pug is still one of the most popular breeds today.

With *The Everything® Pug Book*, you'll learn all there is to know about your best friend: from adoption methods and training techniques to specific tips on diet, exercise, and basic care, you can anticipate your pug's every need and be prepared for any situation.

Whether you've owned a pug for years or you're considering adopting one, *The Everything® Pug Book* is the authoritative tool for keeping your dog healthy and happy for years to come.

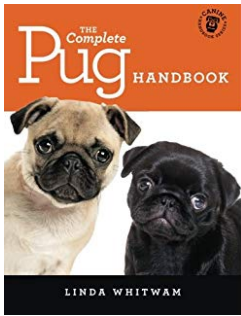

Kim Campbell Thornton is the author of several books, including *The Dog Training Manual*, the author of the award-winning *Training The Dog*, the author of *The Cat Behavior Manual*, and the author of *The Dog Behavior Manual*. She is also the author of *The Dog Training Manual* and the National Writers Union. She lives in Chicago, IL.

The Everything® Pug Book covers:

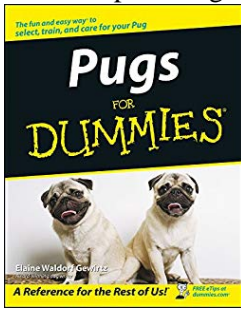

- Common diseases and health issues
- Proper grooming and handling
- Effective methods for disciplining your dog
- How to encourage socialization
- Caring for older pugs
